Andover voters opt for fire truck

As expected, the fiery issues at Andover's annual town meeting, last Saturday, involved fire trucks. When the smoke had cleared, the voters had turned down a request by the fire chief for the town to accept the Firemen's Association 1948 ladder truck, but they supported his request for a brand new pumper. The truck—less fire-fighting equipment—will cost the town \$102,600, Chief Ken Dixon said. This was the low bid among a number of bids he had received.

On the issue of the town accepting the operational 1948 ladder truck belonging to the Firemen's Association, voters had turned down the initiative once before, at a special town meeting last year. Richard Merrill said, "We voted it down once; we ought to vote it down again. It's a very dangerous piece of equipment for untrained personnel."

Chief Dixon responded, "The people that operate the ladder are trained in the use of the ladder. You don't have to put people on a 45-degree angle roof hanging on to a chimney by their teeth. With this truck you can go out to a chimney fire with two or three people and do what it used to take six or eight people to do."

Mr. Merrill complained that it was being used by the fire department despite the fact that special town meeting had voted not to accept it as the town's responsibility. Insurance on the vehicle is still being maintained by the Firemen's Association, according to Chief Dixon.

"The town voted not to accept the truck," Selectman Arthur Myshrahl explained, "but they didn't vote to not allow the (Firemen's) Association to use it." The town has a 1934 ladder truck, but this truck is inoperable, Chief Dixon reported, and therefore the fire department uses the 1948 ladder truck, even though the town has not accepted it.

Despite the heated arguments in favor of accepting the newer ladder truck, the motion went down to defeat, 16-18, on a show of hands. The three selectmen—who appeared to be in favor of the motion—did not vote.

Voters next approved a motion, by a 21-7 vote, to turn the 1934 ladder truck over to the Firemen's Association for disposal. This led Robert Hutchins to move for reconsideration of the defeated motion.

Bethel budget could grow by over 15 percent

The Bethel Board of Selectmen began work on the town budget last Thursday night, beginning with a budget proposal of \$229,075 submitted by the town manager.

Town Manager Rodney Lynch's proposed budget is 16 percent higher than the current fiscal year budget of \$213,455. The additional outlays of \$116,000 are accounted for mainly in the increased cost of insurance, increased budget for winter roads, plus new outlays for renovation to the Cole Block (the town office) and additional monies set aside for new vehicles and revaluation. The only accounts that show a consistent decrease are the accounts for fuel.

As suggested by the town manager, an additional \$15,000 will be earmarked for continued renovations to the Cole Block; \$10,000 will be added to the ambulance replacement fund; \$6,000 will be added to the police cruiser replacement fund; \$20,000 will be added to the dump truck replacement fund; \$15,000 will be placed in the fire truck fund; \$5,000 will be placed in a fund for a replacement public works pickup; and \$38,000 will be set aside for revaluation work.

The revenue side of the budget has not yet been completed, but valuation is expected to increase appreciably due to the various condominium projects under construction in town.

The selectmen will continue examining the budget at weekly workshop sessions throughout the month of March. The Budget Committee is expected to receive the selectmen's proposed budget in April.

Windy Valleys Snowmobile Club wins Yamaha contest

The Windy Valleys Snowmobile Club is the state winner of the 1986 Yamaha Snowmobile Pride contest. The winning entry was submitted by club secretary June Swan and was an account of the club's community project—the annual lawn and bake sale in October.

The club's winning entry will now compete against 25 other entries from other states. The winner of that competition will be awarded the 1986 National Yamaha Snowmobile Pride prize.

For winning the state competition, the Windy Valleys Snowmobile Club received a check for \$500 from Yamaha, plus a plaque.

Summer's on the way

The Citizen will be publishing its summer tourism tabloid once again this year.

Advertisers were notified by letter last week about rates and deadlines. The rates are the same as last year; the deadlines for materials is April 1. Anyone interested in having an ad in the tabloid should call The Citizen office.

The Citizen will print 35,000 of the colorful tabloids, distributing them from Providence, R.I., to Portland. Distribution will begin in early May and continue throughout the summer.

Newly selectmen make appointments Tuesday

At their meeting Tuesday morning, the newly selectmen made several appointments to town boards including planning board members, Veronica Smith, David Fleet, and Hugh Lynch, terms to expire in 1988; Eleanor Davis and Ann Friedlander, 1989; James Sysko and Nancy Noppa, 1990; William Cramton, alternate.

Appointed to the board of appeals were Robert Moxcey, 1988; Greg Fraser, 1989; and Gerald Harrington, 1990. Named to one year terms on the Sunday River Schoolhouse Committee were Julie Daye, Winifred Scott, Mary Tripp, Arla Sandstrom and Cynthia Lining.

In other business it was decided to seek to use funds in the truck account to purchase a new road truck. A committee consisting of the road commissioner, Marshall Fleet; Gerald Harrington, Paul Wright, Bernard Powers, Virgil Conkright, and Burton Mills, will work with the selectmen to draw up specifications and secure information to be presented to the townspeople at a special meeting later in the year. A certificate of appointment of Bill Dulliver as constable was completed at this meeting.

Daffodil days in Bethel to be March 20-21

The special event signifies the start of the annual crusade to fight cancer. The funds received in this project will be used in the American Cancer Society's programs of research, education and service to cancer patients.

Freshly cut daffodils will be available at the Bethel IGA Friday and Saturday, March 20-21.

Host families needed for Spanish youth visit

The Bethel Rotary Club, along with other community volunteers, is looking for families to host the 20 Spanish students coming to Bethel the weekend of July 11 for a two-week visit.

The Spanish children, ages 12-14, are coming from Mijas, Spain, in the first phase of what is expected to be a continuing educational exchange between Bethel and Mijas. The Rotary Club hopes to send 20 Bethel area youngsters to Mijas during the summer of 1988 to complete the exchange.

Most critical at the moment is the selection of host families for these young ambassadors from Spain. The families being sought as hosts should live in SAD #4; they should be able to commit themselves to being hosts for the entire two weeks of the visit; they should be willing to provide both room and board, plus transportation to the group's assembly point each day of the visit; they must be willing to participate in orientation sessions before the visit; some knowledge of Spanish would be helpful, as would be having school children already in the household.

Dave Preble, Rotary Club president, pointed out that the only expenses incurred by the host families would be for room and board and transportation to the daily assembly point.

Interested families are urged to pick up family profile forms at the SAD #4 Adult Education office at Telstar Regional High School, or from Mr. Preble at Prim's Pharmacy, as soon as possible.

Donkey basketball teams organizing for March 23

A night of ride-em-cowboy-style basketball is on tap for Monday, March 23, at the Telstar gym.

Donkey basketball will replace the usual action on the hard court that night, with local teams trying to out-ride and out-shoot one another.

Refreshments will be sold by the Boosters. Advance tickets are on sale for \$3 at Prim's, Edelweiss, Fran & Shannon's, Bob's Corner Store and Telstar Regional High School. Tickets at the door will be \$4.

Progress slows on site plan ordinance

The Ordinance Review Subcommittee, which has been busy drafting a site plan ordinance for the Town of Bethel, is running into delays in finishing its task. The group had originally hoped to get a draft to the parent Planning Board by the beginning of March.

The committee is now aiming at March 18 for submitting a complete draft to the Planning Board. That board is expected to discuss the draft site plan review ordinance at its March 25 meeting.

In order to get a suggested ordinance on the town meeting warrant, the Planning Board would have to present it to the Board of Selectmen by the beginning of April. Subcommittee members will suggest that the Planning Board—if it needs additional time to discuss the draft—simply have the selectmen place on the warrant an article pertaining to a site plan review ordinance, without presenting the exact draft at that point.

The delay in producing a draft for the Planning Board was occasioned by the fact that the subcommittee was given less than two months of working time to do the job from scratch.

Monday night, the subcommittee tackled the issue of noise, odors and other off-shoots of industry, commerce and suburban life. After much discussion, the subcommittee decided to leave all mention of these problems out of the site plan review ordinance.

The subcommittee will suggest that a separate proposed ordinance be included on the warrant regarding these problems. The ordinance would prohibit dust, fumes, gas, smoke, odor, noise, vibration or other disturbances that are judged by the Planning Board—after a public hearing—to be a public nuisance.

The ordinance would remain in effect only until such time as the Planning Board could come up with a more precise ordinance on the matter.

Subcommittee members noted that the Town of Waterford just passed a noise ordinance and that it was quite restrictive. Committee members felt that including overly restrictive language in Bethel's draft site plan review ordinance would

Greenwood town meeting this Saturday, 10 a.m.

The Town of Greenwood will hold its annual town meeting this Saturday, beginning at 10 a.m. This is a week later than usual.

The proposed budget items show an increase of \$5,000, due mainly to increases in the cost of operation of the solid waste transfer station, which are pegged at \$16,000 in 1987, compared with \$12,000 last year.

Other accounts, as proposed, include: town roads, \$145,000; officers' salaries and miscellaneous, \$25,000; insurance, \$24,000; fire department, \$20,000; office equipment, \$9,000; social security, \$5,500; stump dump, \$5,000; street lights, \$4,700; recreation, \$4,000; Tri-Town Ambulance, \$3,494; health and education services, \$3,208; town garage, \$3,000; animal control, \$2,200; plumbing inspector, \$1,000.

Expected to generate a lot of discussion at the town meeting is the suggestion that Greenwood declare a temporary moratorium on the development of multi-unit housing.

The town meeting is expected to see a new moderator this year. The moderator in recent years has been Raymond A. Seaman. However, because he is also road commissioner, and in order to avoid any suspicion of conflict of interest, he has decided not to serve as moderator this year. Steve Wight, a Newry selectman—who traditionally serves as moderator of the Upton Town Meeting—has been invited by the Greenwood selectmen to moderate this year's meeting.

Hazardous materials seminar at Telstar March 19 & 26

The SAD #4 Adult and Community Education program will sponsor a seminar entitled Hazardous Materials Response, on March 19 and 26 from 6-9:30, at Telstar Regional High School. The seminar is offered in cooperation with Maine Fire Service Training at SMVTI, and is designed to introduce the subject of hazardous materials to fire departments, public works departments, ambulance and rescue personnel, maintenance and industrial workers, and civil defense officials. The instructor for the course is Sherm Leahy.

Cathy Newell, Adult and Community Education Director for SAD #4, stated that the cost for the workshop will be \$10 person, with a sponsorship rate of \$50 for town or employers who wish to send an unlimited number of persons to the course. Those wishing to attend must pre-register by March 16 by calling the SAD #4 Adult and Community Education office, 824-2175.

be counterproductive. "Is it politically wise to put this in right now?" Ginger Kelly wondered aloud. "The risk is that some of the things you put in here might drag it (the draft ordinance) down," commented Bob Chadbourne.

In putting finishing touches to the industrial and commercial sections of the draft, members suggested setbacks on industrial lots of 100 feet for a one-story building and 50 feet additional for each additional story. Commercial buildings were to be restricted to 2½ stories, or 35 feet above grade, the same as for residential buildings. Exterior lighting for parking areas was set at a minimum of 15 footcandles and a maximum of 20 footcandles.

The subcommittee will meet again this evening (Wednesday) at 7 p.m., in the Casco Bank.

Letters to the Editor

To the Editor:

We would like to publicly thank all those who helped us with the Gould Academy/Crescent Park Downhill Ski Program. We could not have done it without the help of the following people. Special thanks goes to: Les Otten for enabling us to offer the program at a minimum cost and providing such a fabulous place to ski; to Bill Clough for employees' time and transportation; to Garrett and Melody Bonnera for the beautiful awards they made; to the Sunday River Rental Shop for all their help and patience; to Reyna Cole for her support and help; to Betsy Kappes for her help with tickets; to Rick Dow for his terrific clinic; to Randy Baker for helping us with safety; to Eric Paul for videotaping our skiers; to John Provencher for the logo; to Nancy Davis, Maynard Morgan, Dewaine Craig, Rick Hodas for their ideas, time and support; and to the parents for their support and fabulous cooking.

The program has meant a lot to us at Gould. It enables us to meet more people in town who make Bethel such a nice place to live.

Many thanks to the Rug Rats. You have been lots of fun to work with and have become very special to us.
Emily Stuart, Steve Blake and the Gould Rug Rat Instructors

To the Editor:

I would like to borrow some space in your paper to thank the people who I have worked very closely with over the past year and a half. Thanks to: the office crew—clerk and assistant, Gwen and Dina; fellow selectmen, Duane and Gordon; the road crew—Bob, Mason and Danny. Thanks also to the planning board and all the various citizen committees. I have seen a cooperative effort, between town boards and departments, which never existed before, and which I fervently hope will continue.

Congratulations and best wishes to Howard Gurney. I hope that he finds the friendship and enjoyment that I did while in office.

One final note to the citizens of West Paris. It seems very unfortunate that 40 people can decide what course a town of 1,200 citizens should take. There is something wrong with a system that does not give citizens a fair notice of who is running for office. After all, we would cry "foul" if a new article was put into the town warrant during town meeting. Is this any different? Isn't it time the system was revised?

To the Editor:

In your Feb. 25, 1987, edition, you ran several pictures and articles which were of interest to me as a parent, community member, and superintendent of schools. During my four years in the Bethel area I have been impressed and greatly pleased with the efforts of our communities, area businesses, and the schools themselves to support various programs which benefit our local youngsters.

Two articles which ran on Feb. 25 proved this point. The first article concerned the Gould Academy, Sunday River Skiway, and Crescent Park School "Rug-Rat" Alpine Ski Program. The second article was on page eight, the "Young Voices" writing project.

The state of Maine has a limited number of communities where local businesses, public and private educational institutions talk to each other on a regular basis, let alone join together and provide programs for the young citizens of the community. The communities which make up SAD #44 are some of the communities that do work together for the benefit of their youngsters.

To thank each and every person who was involved with these two special programs would easily take half of the space on this page. Instead, please allow me to collectively thank each and everyone of them through this letter.

Might I also encourage other community and school personnel to become more involved in programs such as these. Our young citizens will only improve themselves as we give more of ourselves.

To the Editor:

As a new-comer to this area, I was pleased to attend my first Town Meeting last Monday night [March 2]. Having spent the last 20 odd years of my life (how really odd they seem now) attending university faculty meetings, I was most impressed with the aura of calm and basic civility in which this meeting was conducted.

With your indulgence, I would like to comment on one aspect that did puzzle me. In discussing the need of a fire department in Newry, the emphasis seemed to be on the reduction of insurance rates (primarily for condo owners), rather than on how such a facility might increase the chances for the saving of a human life and the protection of property. While I am not unmindful of economic realities, the latter issues seem to me to be paramount in both the decision to establish such a facility and in the selection of its site.
Don Sandstrom

To the Editor:

As superintendent of schools I travel a considerable amount, not only within the communities of SAD #44, but within the state to communities such as Lewiston, Augusta and Portland.

In the four years that I have lived in the Bethel area, I have been very pleased with the speed and efficiency that area towns, with limited manpower and budgets, have cleared our roads and streets after each storm. On many occasions I have left the Bethel area early in the morning (after or during a snow storm), driving on well maintained roads, only to arrive at my destination and find that the city/town has not plowed or maintained their roads nearly as well as ours.

I wish to express my appreciation, as superintendent of schools, and as a parent and Bethel resident, to the local highway departments for their fine work in clearing our local roads. Thank you for a job well done.
Dewaine Craig

To the Editor:

A proposed bill now in the Maine Legislature to legalize killing cats is particularly reprehensible. As the result of a complaint by a breeder of exotic birds, L.D. 42 was introduced to allow killing cats that attack "domestic animals, livestock, poultry or captive raised wild birds or wild animals." Objections to the bill have been raised as follows:

- Cat killing may be done by anyone.
- The bill says cats may be killed by children, or by mentally- or emotionally-impaired persons. In fact, the bill specifically permits killing by the owner of threatened creatures, "or any person whom is entrusted the custody" of domestic animals, etc.
- The bill says cats may be killed; it does not specify the means by which death may be inflicted; theoretically, as his bare hands, he is legally entitled to kill an offending cat.
- "Game" animals that prey on domestic animals are given strict protection by the IF&W Dept. including a stipulation that killing the offending predator must be a last resort. This same protection would be denied to people's pets.
- There is no requirement that exotic birds must be protected against the possibility of cat predation;
- The significant contribution of cats to rodent control would inevitably be reduced;
- Public tolerance and sympathy lie with the independent, free-roaming nature of cats. Furthermore, cats are essential to the health and well being of many people.

Rep. Paul Jacques, House chairman of the Fisheries and Wildlife Committee, is the bill's sponsor. During the work session, some committee members were vocal in expressing their intense dislike for cats and demanding they be licensed. Vivid descriptions of brutal killings of cats using strangulation, drowning, dismemberment, asphyxiation and bullets resulted in raucous laughter and citizen intimidation during this workshop. Neither the people nor the flag of Maine were well served that day.

While a legitimate case might be made for restitution for damage caused by pets, the proposed slaughter of cats cannot fail to reflect negatively on the character and image of this state. If you agree, please contact your representative in Augusta immediately.

THOUGHTS FROM THE Pastor's Study

The Bethel Area Clergy Association, with the help of pastors of surrounding churches, is endeavoring to bring frequently to you these meditations. Not based on any set theme, they will be individual for each pastor. It is hoped you will find in these words, comfort and help for your daily life.

The fast pace of our lives often leaves us breathless! We feel a bit like riders on a roller coaster as we rush up, then down, then swing around a bend. Christmas always finds us with half our cards unwritten; spring planting time finds the dirt of last summer still caked to our boots.

Wouldn't it feel good to be prepared for Easter this year? What a treat it would be to come to that great festival of joy and thanksgiving ready to truly hear the good news and to celebrate Christ's resurrection! That what's Lent is for—

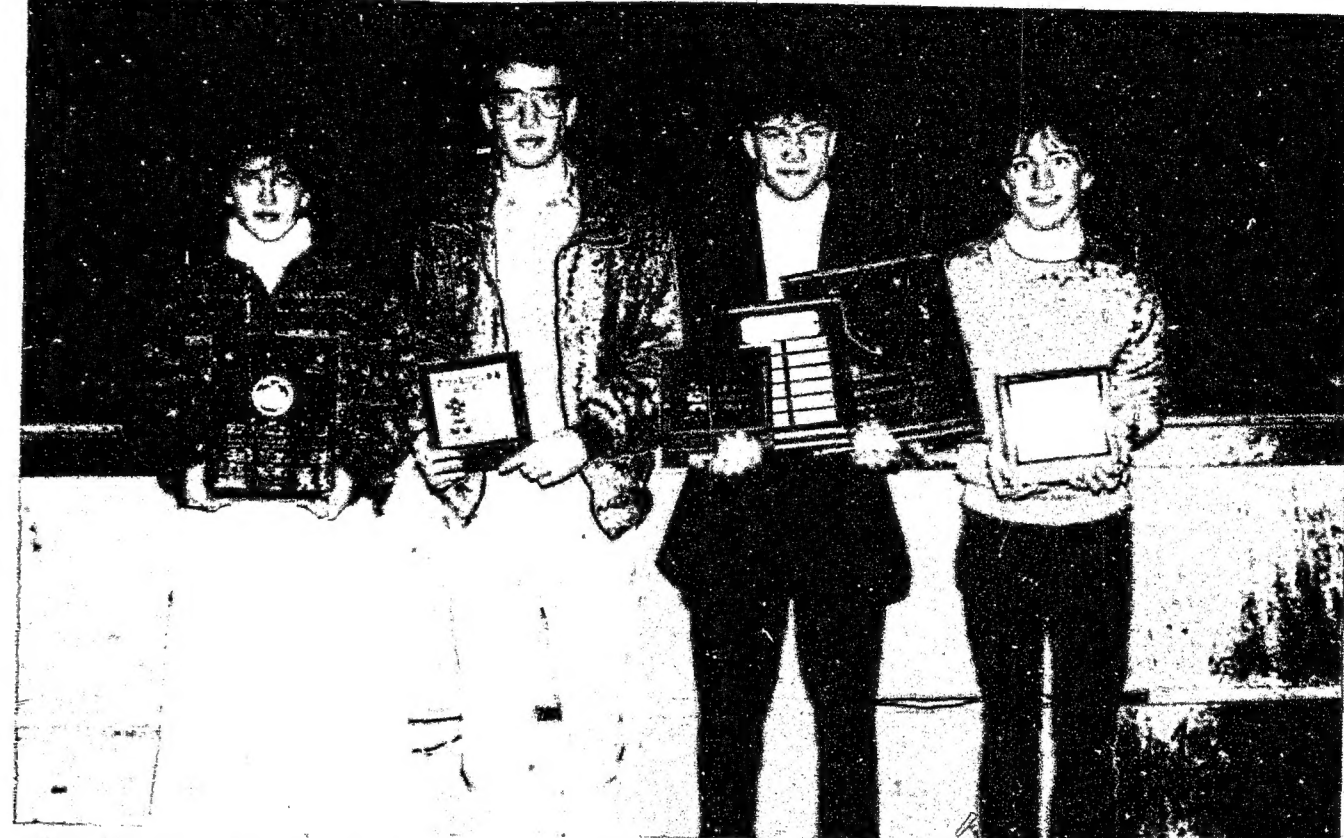

to give us time to get ready, to be prepared to accept God's wonderful gift of new life for all who admit their failures and shortcomings and ask for God's help is beginning again.

How do we get ready? What do we do in Lent that will prepare us for Easter? More than anything, Lent is about discipline, and discipline is about discipline. Lent asks us one big question about our lives: "Who is in control?" That's what all the familiar "giving up stuff for Lent" is all about—we are showing that, by the grace of God, we have control over our lives. We are free to decide what habits we will continue, what books we will read, how we will spend our time. We are free to give only that which we have—and if we don't have ourselves, if we are captive to bad habits, then we cannot give ourselves in answer to God's call for people who will work to bring God's vision to a realm of peace and justice into being on this planet.

So—we can choose to give up an addiction, whether it be cigarettes, or the TV soap, or even to ice cream or working too much; or we can choose to take up a discipline like setting aside some time every day for meditation and prayer. Which ever we choose, we are saying, "I am in control of my life and I am choosing to use this time to prepare myself for a truly joyous Easter," and we are making our choice as disciples, drawing on the presence and power of Christ who has walked this same path.

NOTES FROM THE LIONS DEN

The Bethel Lions Club held its second February meeting on the 24th. This meeting was a regular, a Ladies' Night, and an Award Night, plus the 20th Anniversary of the Bethel Lions Club service to the community. After a short social hour, the meeting was called to order by President Malcolm (Mac) Gould. Opening ceremonies were given by several members, followed by introduction of guests. An outstanding potluck supper was enjoyed by all.

A short business meeting was conducted by King Lion Mac. Our King Lion turned the meeting over to the District Governor, Tom Flanagan. District Governor Tom expressed the greeting and gratitude from Lions International to the Bethel Lions Club for its 20 years of community service. He also commended on the many goals of Lionism, and thanked the Bethel Lions for their support in trying to "Bring Quality to Life," this year's International President's theme.

District Governor Tom presented the 1986-87 attendance awards, which are as follows:

One year perfect attendance — Frank Gibson, George Gibson, Eugene Kelly.

Two years — Allen Waterhouse, Elden Hathaway.

Three years — Jay Willard.

Four years — Roy Murphy.

Six years — Malcolm Gould, Ed Friel.

Eight years — Peter Anderson, Pat Murphy.

Nine years — Howard Donahue, Eldon Greenleaf.

Also, recognition was given to Lions Jay Willard and Eldon Greenleaf, as charter members present for the 20th anniversary. King Lion Mac Gould then presented the District Governor's wife, Marilyn, with a Lions "Certificate of Appreciation," for her unyielding support of DG Tom during his year as District Governor 41-L.

Guests for the evening were: District Governor Tom Flanagan and his wife, Marilyn, of Sebago; and from the Cape Elizabeth Lions Club, Henry Deegan, Henry Deyer, Warren Hoeller, and George Montpelier.

'DONKEY RIDERS' NEED NOT PURCHASE TICKETS

Due to the poor sign up for faculty riding in the donkey basketball game scheduled to be held at Telstar Regional High School on Monday, March 23, at 7 p.m., riders will not be asked to buy a ticket.

All children are welcome! Library hours: Tuesday and Friday, 1-5 p.m.; Deborah Crump-Biers, Librarian.

Ginger Kelly, of Ross-Jolly Realty, Inc., in Bethel, is the volunteer coordinator for the Community Calendar and will accept items to be listed by mail, phone (662-2114), or in person at her office on Main Street, Bethel (opposite the Bethel House).

ANDOVER VOTERS FAVOR NEW FIRE TRUCK

continued from Page One

article on accepting the 1948 ladder truck. With the 1934 ladder set for disposal and the newer ladder not accepted, "What is the fire department going to do for a ladder truck?" he asked.

After much discussion on the legality and appropriateness of a motion to reconsider, Mr. Hutchins withdrew his motion. Residents said afterwards the issue of acceptance of the 1948 ladder truck was decided more on the basis of factional differences in the town than on the issue of the truck itself.

On the issue of a new fire truck, using a closed ballot, voters lined up behind the expenditure, 28-19. Town officials said afterwards it might have just been coincidence that 19 voters opposed both of Chief Dixon's fire department initiatives.

Passage of the article for the new pumper followed heated arguments on both sides of the issue. The fire chief said the town is growing, and only Engine 3 can be relied upon to fight fires. As for Engine 1, "The thing is on its way out," the chief said.

He noted that new subdivisions are being planned on the South Arm Road and on the Upton Road. "It's better to be prepared for it."

But Mr. Merrill said, "Mr. Dixon seems to think the town is growing by leaps and bounds. I think it's going the other way. We need basically one good truck—a tanker—to get water (to a fire)."

Gary Williamson noted that COMSAT's closing will mean less tax dollars, unless the tax rate were raised considerably. He said, "It's an awfully bad year for us to be doing something like this. There couldn't be any worse timing (for a big expenditure) than this year."

But Selectman Raymond Hutchins observed that COMSAT will still be taxed substantially this year, despite its ongoing shutdown, whereas the company's valuation will be largely gone after its expected 1988 closure.

Mr. Williamson then proposed an alternative: "Why does it have to be a new truck? I can see a good truck, but not a truck that costs more than any building in Andover." Nevertheless, the voters opted to buy the new truck, at a cost of \$102,600. Chief Dixon estimated it would require an additional \$15,000 to equip it.

The cost of the new truck will be paid as follows: \$32,000 from the fire truck fund, \$30,000 from surplus, and \$40,600 from taxation.

Most of the other articles were passed with little or no discussion. Voters approved an \$8,000 increase in winter roads, from \$32,000 last year to \$40,000 this year. They also approved an increase in the insurance account, from \$10,000 last year to \$13,600 this year. They sided with the selectmen's recommendation—as opposed to the Budget Committee's recommendation—of \$2,300.

In addition to the money articles, voters approved a new dump use ordinance and a dog control ordinance. Since the dog control ordinance requires an animal control officer to be handy, and since the town's present officer lives in Oxford and is on call, the selectmen will enforce the ordinance, Selectman Raymond Hutchins said.

David Percival was moderator of the meeting. The Ellis River Riding Club served lunch.

In the election following the town meeting, Laura Hutchins was re-elected selectman, with 18 votes. Also receiving votes were write-in candidates Leon Simmons, Ronald Wells, David Percival, Jane Rich and Betsy Fisher. John Foster won re-election to the school district's board of directors, with 25 votes. There were only 26 voters.

ANDOVER TOWN MEETING voters cast their ballots last Saturday on the question of whether to spend \$102,600 on a new fire truck. By a 29-19 vote, town meeting approved.

A beautiful sunny March day greeted us this morning. The weather men say it will get up in the high 30s today so hope to take advantage of it and do a little wash and pray it dries. I hate to go to the laundromats and I do like the smell of clothes that have dried out doors, so will keep my fingers crossed hoping they dry well.

I had enjoyed the good weather the past couple of weeks but just knew it couldn't last so wasn't surprised to have such a nice snow storm. Russell had traded snow blowers so had a chance to try out his new one and found it works good. Just got to get used to it.

I've been to the doctors for back treatments so many times, it is hard to keep track of them. My lower back just hasn't wanted to stay in place and has let go at the most unexpected times. It is better now and hope it continues to get better. Nothing like back trouble to take one out of being able to do things. Even had to ask Russell to tie my shoes and that is going some.

Our brother Lawrence hasn't been in the pink of condition lately either. Went to the hospital for tests and still doesn't know exactly what is going to be done. He does know that they found a hernia that has got to be taken care of soon but otherwise, not too sure.

I hadn't dared to venture out of the house till last Saturday, other than trips to have my back tended to, but went up to visit Grace for a little while. She had a cold and didn't feel too good. Funny as we get older, a week at work can make us more tired than when we were younger and that is the case with her. She works hard at the shoe shop and is ready to drop when she gets home. I told her not to feel bad as I couldn't work out and was still ready to drop at times. Never used to sleep in my chair but do it too often, lately. Makes me disgusted but can't help it. Just don't know what causes it but it hits fast and I can't get out for a while. Russell does the same thing so I don't feel quite so bad about it but wish I could have more pep to do things I would like to get done.

Russell hadn't cleared out the yard Monday but my back felt as though it could let go again and I called the doctor to see when he could see me and when he said come right over, Russell went out and cleared enough of the yard for us to get out and go, then finished it when we got home. The roads were much clearer than I had thought they would be after so much snow. High Street was slippery but most of the main thoroughfares were not bad at all. Made it over and back without any problem.

Didn't do too much on Tuesday but worked around the house a little and did a little sewing and crocheting. I always have something going one way or another. It keeps me from getting too bored.

Wynona had called to see if she could borrow my air mattress for this coming weekend where she is expecting some of

The old lion greeted us in his usual manner, with a long raging snow and wind storm. Schools were closed on Monday [March 1]. At least the snow banks are snow white again. A change from muddy looking snow.

Scott Isley went to work at Burlington Homes Monday.

All roads led to town meeting Tuesday evening at the Agnes M. Gray Elementary Gym.

Callers at Lawrence's: Carroll Record, Odell and Ina Heath, Richard Felt, Phillip Pinkham, Ellen Coffin, Joe Vatcher.

Mrs. Madge MacCush, Sydney, Nova Scotia, is visiting her cousin Robert Isley and family. Thursday Mr. and Mrs. Alton Fowler, Amesbury, Mass., visited her mother Mrs. Florence Isley and her brother, Nathan Isley and family. They came up to see if we had snow.

We do.

Evelyn Vatcher hasn't been out since Feb. 28 due to a very bad cold. Her first one this winter.

Joe Vatcher went to Dresden smelting Monday.

Mike's family to come to visit, so came to get it on Tuesday. She had Kariann with her and had left Courtney at nursery school. She was going to visit friends after school so Wynona and Kariann stayed and had lunch with Russell and I. Couldn't stay to visit much after lunch as she had an appointment at 3:30 or so but was glad to see them for a short while.

Yesterday, which was Wednesday, Russell and I decided to go to town to do a few errands in the afternoon and as he wanted to go shopping and I didn't, I went to visit a friend I hadn't seen for ages. I visited Marion Quinn while Russell did his shopping around and had a nice time there. We had lots to talk about. She was a lovely lady helping her out at home and I am so glad for her, as she is unable to do the house work. It gives one a much better outlook on life if one's home looks good and things get done. It was nice to have a chance to visit with her for a while.

I was told that Erlon Whitman came home on Sunday from the hospital after having the operation done on his knee, replacing his own joint with a plastic one. He is staying with his daughter for the time being but doing well. That is great news. Sorry to hear that others around are sick and having a bad time. It is no fun to be sick.

We were saddened to hear of the death of a great Grange friend and neighbor, Chester Hayes of Shelburne, N.H. He has always brought cheer and good jokes to many Granges around as well as always extending an invitation for one and all to call if up his way. A wonderful person who will be missed by all who knew him.

Another Grange member, Evelyn Jackson is in the nursing home at South

WEST PARIS SENIOR CITIZENS NEXT MEET APRIL 7

The West Paris Senior Citizens' March meeting was cancelled because of hazardous travel conditions due to the snow. The regular April meeting and potluck dinner will be held on April 7 at the Ring-McKeen Legion Hall with Robert Toff of the Maine Seabelt Coalition as the guest speaker.

MOLLOCKETT MIXERS

The Mollockett Mixers Square Dance Club will hold a class level square dance on Friday, March 13, at the Rumford Junior/Senior High School from 8-11 p.m. Lee Kennedy will be calling, and Wally Weeks will cue the rounds.

Paris, I was told. She has been ill for a long time and one wonders why such a lovely person has to have so many troubles but that is life. We never know from one day to the next what will happen and I guess it is lucky for us all. Otherwise, none of us would find any happiness.

Not as many of our gray squirrels around but the little red one seems to appear just about every day and no one but the cat can drive him away. It is amazing to think that the gray squirrels will take a back seat for the red one where he is so much smaller but they do. What wonders nature sends our way. We hope it is about to send us an early spring. The warmer sunshine makes one know that spring is around the corner but not just which corner. Guess we will find out all in good time. Take care and enjoy the sunshine.

The Firemen's Auxiliary met on Monday evening. It was voted to have a flea market on May 30. More details on that at a later date. Also voted to send a donation to Ralph Whitman due to fire damage to his home recently.

Mr. and Mrs. Roland Dunham returned Sunday after spending a month in Bonita Springs, Fla. While there they visited with Mr. and Mrs. Maurice Pierce and Mr. and Mrs. Earle Palmer. Mr. and Mrs. Belmont House of Bryant Pond were their guests for a week.

Jason Merrill, Waterford, was the weekend guest of his grandparents, Mr. and Mrs. Ivan Proctor.

The West Paris Historical Society will have a meeting on Monday, March 16, preceded by a 6 p.m. supper, which will consist of an Irish stew made by the president "Doodle" Reid. It should be delicious.

Many are entertaining the prevailing colds. Think "Spring!"

ELEANOR GORDON GUILD

The Eleanor Gordon Guild held their February meeting at the home of Mary Doen. Lisa Vonderheide had the devotions. It was voted to have the mother-daughter banquet at the Country Way in May. The program was a brown bag auction, which was fun for all. Delicious refreshments were served by the hostess.

The next meeting will be at the home of Debbie Adams, Tuesday night, March 17, at 7:30. Wilma Gorman will have the devotions. The program will be "making crafts." Doris Fraser will be the leader.

Franklin Grange #124 will meet on Monday, March 16, for Agriculture Night. Refreshments will be served by Verna Swan, Kaye Billings, Mary Billings, and Viva Whitman. This will be in the lower hall.

Kaye Glines was weekend guest of her parents, Mr. and Mrs. Linwood Ring. Beatrice Farnum was Sunday dinner guest of her daughter and family, Mr. and Mrs. John Chase, to help celebrate the 57th anniversary of Mr. and Mrs. Edward Chase.

Elizabeth Hoyt, Pittsfield, Mass., was a weekend guest of her parents, Mr. and Mrs. Kenneth Hoyt.

Sponsored by the Mollycokett Sportsman Club, a two day course will be given March 14 and 15 from 8 a.m. to 3 p.m. on hunter safety at the Legion Hall in West Paris, taught by Ken Swan of Bryant Pond, as chief instructor, assisted by Howard Miller, Warren Emery and Albert Penney Jr. To maximize the amount of material that can be covered in the two days, students are asked to bring a "brown bag" lunch so they can continue right on learning through lunch period.

Woodstock Senior Citizens met on Thursday, March 5, with around 34 attending. A delicious dinner was served with a musical program enjoyed by all.

Ray Estabrook Well Drilling

"Symbol of Quality and Integrity"

When it comes to your water supply, it has to be (1) sufficient, (2) usable, and most importantly (3) dependable. Many have said "If I had to be without water or electricity, I'd give up electricity any day."

RAY ESTABROOK WELL DRILLING, of West Bath, has earned an excellent reputation as a company you can depend on to provide a water system that will service your needs for potable water, whether for home, farm or industrial usage. For 15 years, RAY ESTABROOK WELL DRILLING has been so well recommended by customers they now operate two drilling crews and two pump installation crews to meet the demand for their services.

RAY ESTABROOK WELL DRILLING prices are consistently competitive, but price is not the only important thing to consider. As a member of the National Water Well Association they give you a written, signed statement telling you exactly what they will provide (usually a well and complete pumping system). It will also state the minimum amount of water your well should produce, the warranty period (the ESTABROOK warranty for a total installation is 5 years), cost for casing if not included in the base quote and any other important information you should have.

RAY ESTABROOK WELL DRILLING offers a number of price options for your well. You select the one that best meets your needs. Most options give you a fixed price for well and pumping system although some depth limitations may apply.

Call RAY ESTABROOK WELL DRILLING for a free on-site investigation and free estimate at 443-2850 collect!

Maine Home Center

About 7 years ago, David Andrews decided to focus his energy and business expertise in the housing industry. Today, his primary interest and most of his resources are concentrated in the manufactured housing market.

Dave recently established MAINE HOME CENTER, Rt. 26 in Oxford, offering double wide and single wide manufactured homes for almost any family size and life style. Phone MAINE HOME CENTER at 539-4477 or toll free 1-800-356-3377.

You will thoroughly enjoy strolling through the 28' x 56' model Imperial home on display with 3 bedrooms, 2 baths, family room with a working fireplace, formal dining room and large living room and at tremendous savings over the cost of building a similar sized conventional house. These homes have 2" x 6" wall studs with 6" of insulation, pitched roof trusses with R-30 insulation and many more features that make these homes outstanding values.

The Holly Park 14' wide home, with floor plans up to four bedrooms, is another excellent value. But, what really makes the difference is the people you deal with. At MAINE HOME CENTER, Rt. 26 in Oxford, you talk with the owner, Dave Andrews, who will help you select the right home for your family requirements and always with an eye on staying within your budget. At MAINE HOME CENTER financing can be arranged with terms up to 30 years depending on the home you select.

Dave Andrews also operates 8 mobile home parks in Maine and presently has sites available in Oxford.

Owning your own home may be considerably easier and more possible than you thought. Visit MAINE HOME CENTER, Rt. 26 in Oxford soon. Phone 539-4477 or toll free 1-800-356-3377, and remember all homes are delivered to your site and completely set up...all you do is move in!

Twin Town Glass Co.

BY

TWIN TOWN GLASS provides every service you would expect from a full service glass company. Auto, business or home, they do it all....

AND

that's not all. TWIN TOWN GLASS, lower Main Street in Norway (Rt. 26), phone 743-7160 or 743-6478, is the exclusive 21st Century Ltd. dealer/builder for Skytech Systems solarium construction. Fred Campbell looked for a long time before deciding to put the TWIN TOWN GLASS reputation for quality and dependability on the line with the Skytech system of solarium solar rooms. Offering both aluminum and laminated wood beam structures, the 21st Century Ltd., Skytech Systems are the strongest, most versatile solariums on the market today, yet they are priced consistently lower than the competition. Compare the material thickness and component size to others. ...Skytech's are heavier and more massive. This is the reason TWIN TOWN GLASS can give a 5 year warranty on structural components. Skytech solariums are engineered for snow country and since they are constructed by TWIN TOWN GLASS you always get exceptional quality.

Skytech solariums are designed for each specific building (not pre-packaged units) with either curved or straight eaves.

If you plan to add a solarium to your home see TWIN TOWN GLASS, Rt. 26 in Norway (743-7160 or 743-6478). The innovative features of the 21st Century Ltd., Skytech Systems solariums will undoubtedly convince you, as it did Fred, there just may not be a better solarium value anywhere.

Floyd's Auto Repair

"Subaru Specialist"

For many years Floyd Hurd, owner of FLOYD'S AUTO REPAIR, has been in love with Subarus. In fact, Floyd freely admits if he has to make a choice between eating and working on a Subaru, the Subaru wins every time. The term "Tender Loving Care" has real meaning for Subaru owners at FLOYD'S AUTO REPAIR.

Floyd Hurd is a factory trained Subaru specialist. Put that fact together with years of experience to Subaru owners and you have a combination that adds up to what is probably the best Subaru service shop in Western Maine.

Seven years ago Floyd started his auto repair shop on Lower Main Street (Rt. 26) in Norway and since has established a reputation for excellent automotive repair work at reasonable rates.

FLOYD'S AUTO REPAIR works on all makes of cars, foreign and domestic, even though they are Subaru specialists. Some of their customers have never owned a Subaru, but wouldn't take their car anywhere else. Minor and major repairs or total engine rebuilding of all foreign or domestic makes is done at FLOYD'S.

Volkswagen diesels are popular but finding a good diesel mechanic can be frustrating. Call FLOYD'S AUTO REPAIR at 743-9438 for Volkswagen diesel tune-ups or complete rebuilding.

FLOYD'S AUTO REPAIR is an easy drive from any point in Oxford County. Make an Appointment today for your service needs at 743-9438 or stop by the Lower Main Street (Rt. 26) location in Norway.

"Jacques Brel is Alive, and Well, and Living in Paris"

SPELLING BEE WINNER BECKY HANSCOM is congratulated by Telstar Principal Ted Davis after she won the bee last Wednesday. To win, she had to correctly spell "accurate," which had been missed by the runner-up, and then "kangaroo."

Students-of-month for January at Telstar

Henrik Holmstrom is January's senior of the month at Telstar Regional High School. He is an exchange student from Sweden and lives with his American parents, Robert and Margaret Hand, of Bryant Pond. He was nominated by Mr. Abbott, Manifest Destiny, and Mrs. Berry, English, for outstanding work in his second language. Mr. Abbott says it is quite an accomplishment to do well and get good grades studying a foreign history in a foreign language.

Scott Fraser was nominated by Mr. Morton for his work in Imperialism and World War I. January's junior of the month is the son of John and Edleen Winslow of Bethel. Mr. Morton says Scott's extreme motivation, outstanding test results and all-around excellent work led to a 94 average for the course.

Lori McKenney, daughter of Patricia Saunders of Bryant Pond, is also January's junior of the month. She was nominated by Mr. Otero-Otero, Latin, for her conscientious work. Mr. Otero-Otero says Lori is a sensible and understanding student who often helps her peers in class work. "She is never too busy to explain things to other students."

Brenda Taylor was nominated by her French II teacher, Mr. Taylor, to be January's sophomore of the month. Brenda is the daughter of Wayne Taylor and Rebecca Marston. Mr. Taylor is very impressed with her outgoing attitude and her interest in French. "She asks intelligent questions...and hopefully she'll continue French for a couple more years."

Anthony Stevens, January's freshman of the month, was nominated for his genuine enthusiasm and motivation in Mr. Keane's Earth Science. Tony is the son of Floyd and Alicia Stevens of Bryant Pond. Mr. Keane says that Tony has gained the respect of his peers and that he spends time out of class finding information that aids his answering questions in Earth Science. "I highly recommend Tony for recognition as freshman of the month."

Special recognition goes to the following students for their hard work and effort:

Seniors: April Bennett-Accounting; Gloria Bollo-O.S.L.C.; Lynn Cobb-English 12; Jeannine Conant-Advanced Biology; French IV; Chris Dunham-Chemistry; David Kersey-A.P. English; Kevin Powell-A.P. History; Scott Stevens-Geometry.

Juniors: Diana Bundy-American Revolution; Michelle Crockett-English 11; Karen Morton-French III; Angela Sawyer-Spanish III; Melissa Sylvester-Chemistry.

Sophomores: Brian Colby-Elementary Functions; Rebecca Hutchins-Spanish II; Steve McLain-Biology; Paula Michaud-World Studies II.

Freshmen: Nathan Brown-English 9; Kristan Cushman-French I; Mary Beth Hannon-Spanish I; Kirk Haskell-World Studies I; Jennifer Stowell-English 9; Karen Viitola-German I.

FINALISTS IN THE 44th 6th, 7th and 8th-grade spelling bee, held last Wednesday at Telstar, were, front row (6th grade): Jenny Cooley, Sara Wight, Suzann Richardson, Jeremy Twitchell, Nathan Richards; back row (7th and 8th grades): Joshua Plawlock, Becky Hanscom, Penny Robinson, Christina Gammon, Martha Newell, Lynda Salway, Denise Coolidge, Bridget Remington, Jennifer Adams and Jenny Allen.

Greenwood City

By COLISTA MORGAN

The depth of the cold is passing. The temperature today has touched the high thirties and the sun began to melt the snow. Another winter month has closed. The surface melt evaporates and the moving air absorbs the moisture and carries it away. The drifts have slowly diminished. I took my snowshoes out again and went to the hillside. I traced the path of the wind by the shapes of the drifts. There were galleries of abstract forms interesting and beautiful.

Have you ever really observed the trees in the wind? When the wind gives a comic giggle the trees execute a whimsical eccentric dance. The willows sweep back and forth with twigs flexible as pendant strings. Oaks rise up and down on branches, as if hinged to give a vertical motion. Elms hang from slender drooping twigs and move like pendulums. The landscape is a vast system constantly in action.

I was buried in sweet scented fir in every dip then came to stand in a pool of sunlight. The spikes of the fire caught the glow. Beautiful and impressive contrasts were everywhere; rock and sky, light and shade, endurance and evanescence. I wandered enchanted with the radiance on crystal rocks and noted how some of the mountains seemed to lean back in mystic repose heedless of everything going on about them. Others were stern, while their companions carried a thoughtful attitude.

As I neared home again I could see the sun sloping to the west. It lay like a golden ball between the clouds flushed and streaked with color.

The air was mild and the hills, sun and color, made a quiet background to the thoughts, which were in my mind, as I

PURITY CHAPTER TO INSTALL OFFICERS FRIDAY NIGHT

Installation of the officers of Purity Chapter #102, OES, will be held Friday, March 13, at 7:30 p.m. at the hall. Refreshments will be served following the meeting. This is an open installation and the public is invited to attend.

removed my snowshoes and entered my house. Another refreshing trip had ended but there will be others, perhaps next time on the crust where I can wander for miles.

Winter is on my head, but spring is in my mind. Maybe that changed a bit as it began to snow on March 1.

I was in Portland a couple of times this last week with Fred and Rena Curtis and son, to see my brother, Ernest, who has had heart surgery. He has now returned to his home in Poland.

Rena Curtis took Eva Felton and Kathy Curtis to Lewiston one day the first part of the week.

A sunshine box was given by neighbors and friends to Dorothy Curtis on Sunday, March 1. She was surprised and very pleased with the many useful things.

David, Sally and Mary Holt were at the farm on Saturday and stopped by to visit me. Mary had to hear a story for which she sang me two songs. Mary is three. My other callers were Fred and Rena Curtis, Katherine and Nita Hakala, Leonas and Fay Holt, John and Sandy Betts.

Dorothy Curtis had the following callers: Trish Black and children, Kevin and Jessica, Norway; Marcia Yates and Joshua, Joan Yates, Cecil Heath, Tubbs District; Mildred Bowman, Hebron; Katherine and Nita Hakala, Fred and Rena Curtis, Teresa Curtis, Eva Felton, Kathy Curtis, Local.

Extension Service hosts seminar for foresters

On March 18, people interested in forestry will have the opportunity to learn about several computer programs involving forestry.

Jim Philp, extension forestry specialist, will meet with Oxford County foresters to introduce some forestry-related computer programs. Included will be a marketing program that matches buyers of forest products with sellers, and reports approximate price schedules. Also included will be a program on bucking logs. This program gives an opportunity to learn the best ways to cut up logs for the most value.

The meeting will be next Wednesday, March 18, 7-9 p.m., at the extension office, on the Olson Road, South Paris (beside the Racquetball Club and behind Jewell Tire).

Pvt. Weston E. Woods, son of Albert E. and Mary L. Woods of East Stoneham, has completed the avionic mechanics course at the U.S. Army Signal School, Fort Gordon, Ga. He is a 1985 graduate of Fryeburg Academy.

Andover

By MARJORIE JODREY

The Youth Group from the First Congregational Church in Andover attended the movie, *Cry from the Mountain*, and also enjoyed supper in Rumford Saturday evening, Feb. 28. Attending were Stephanie and Jennifer Percival, David and Chad Bishop, Scott and Nathan Emery, November and April Yates, Melissa Gaudin, Robin Michaud, Linda, Steve and Mary Jean Learned, Jason Miseroch, Barbara Mosher, Jennifer Gould, Amy Thibodeau, Danny Thurston, Scott Spaulding, Amy and Jeff Thurston. Providing transportation were Rev. Marriotte Churchill, John Percival, John Emery, Betsy White, Mary Learned, Anna Thurston and Merilee Thurston.

Mrs. Mary Thurston left Saturday to spend some time in Arundel visiting her son and family, Mr. and Mrs. Ronald Thurston.

Mr. and Mrs. Wayne Delano and girls, Kim and Kris left Sunday, March 1 for Boston, from where they flew to Orlando, Fla., for a week. They planned to visit Disney World and Sea World and other points of interest.

Mr. and Mrs. Gary Milligan and sons Aaron, Eric and Kurt, and Mr. and Mrs. Michael Bean, Todd and Kevin, left Monday, March 2, to spend a vacation in Orlando and Tampa, Fla. They plan to visit Disney World, Sea World and other points of interest.

Mr. and Mrs. Richard Cronin and girls, Kahi and Kelly returned Saturday, Feb. 28, after spending two weeks in St. Petersburg and Orlando, Fla. They visited his mother, Mrs. Alexina Cronin and other relatives, besides going to Disney World, Epcot Center, Busch Gardens, Sunken Gardens and Sea World.

Mrs. Minnie Akers underwent surgery on Friday, March 27, at Brigham and Women's Hospital, 75 Francis Street, Boston, Mass. 02115, 15th floor, room 14. She is expected to be there two weeks. Her daughters, Mrs. William Swan and Mrs. John Percival, visited her on Saturday.

Mr. and Mrs. Robert Knowles (nee Kahi Sennett) are receiving congratulations on the birth of their first child, a son, born Feb. 26 at Franklin Memorial Hospital, Farmington. He weighed 7 lbs. 11 oz. and has been named Bryan Robert. Sharing honors as grandparents are Mr. and Mrs. James Sennett Jr. of East Andover and Mr. and Mrs. Richard Knowles of Dixfield. Mr. Charles Sennett, East Andover, is maternal great-grandmother. Paternal great grandparents are Mrs. Lollie Knowles of Dixfield and Mr. and Mrs. Floyd Childs of West Peru.

Rev. Marriotte Churchill's call to worship theme on March 1 was "Come to me, all you who are weary and burdened and

I will give you rest," Matthew 11:28. The hymn of devotion was "Lord Speak to Me" and the hymn of dedication was "For the Beauty of the Earth." At 6:30 the Youth Group met in the CEB and on Tuesday the Ladies Aid met. Rev. Churchill was away one day recently on clergy retreat. The children's choir rehearsal is Friday at 3 p.m. and the adult choir meets on Friday at 7 p.m. Glen Fyrburg has returned home after being a patient at Maine Medical Center. Kenneth Merrill arrived on March 3 from Coldfoot, Alaska, and after visiting relatives will return with Mrs. Merrill to Coldfoot. They are now visiting her parents, Mr. and Mrs. Elton Coolidge. Mr. and Mrs. Peter Scottie and daughters have moved into the Kenneth Merrill house on Newton Street.

Andover Elementary 6th graders were at Telstar Regional High School on Wednesday, March 4, to attend the regional spelling bee. Andover was represented by Susan Richardson who came in fourth overall. Nathan Emery was her alternate. An 8th grade student from Andover, Christina Gammon, came in second. Congratulations to all of them.

The one hour delayed start of school on Monday, April 6, has been cancelled and approved is a rescheduled afternoon on Tuesday, March 24, when students will be dismissed at 11:30 a.m. The science teachers of the district are to participate in a NASA science workshop with remaining staff members participating in various mini workshops.

Larry Arseneault, Telstar science teacher, has arranged for a representative from the National Aeronautics and Space Agency to spend three days in SAD 44 providing staff and students with a variety of learning opportunities. There will be demonstrations for grades 3-6 the morning of March 24; on March 25 for grades 6-8 at Telstar Middle School and for grades 11-12 at Telstar Regional High School and Gould Academy. March 26 there will be demonstrations for Telstar grades 9-10 in the morning and classroom visits in the afternoon.

Mrs. Joanne Palmer and Mrs. Ismay Meehan took Mrs. Edna Hilton and Jason to Kittery on Sunday. Then they traveled to Southbridge, Mass., to visit Mr. and Mrs. Glen Palmer and children, Glen Jr., Nathan and Megan. They returned on Wednesday.

Andover Public Library On display at the library for two weeks are padded sewing boxes. These projects were made by Shirley Gammon's adult education class.

Applications for Federal Student Aid for the 1987-88 school year are here, as are income tax forms, including W-4 forms and instruction booklets. Drop in and pick them up.

LEE HUTCHINS RETIRED LAST FRIDAY from the L.E. Davis Lumber Co., in Bethel, where he was the sawmill foreman. Mr. Hutchins began work at the lumber mill in 1939 and, except for three years in the Army Quartermaster Corps in World War II, worked steadily in the mill for 48 years. During that time he did just about everything in the mill, from pulling logs out of Lake Umbagog for the Davis mill that had been in Cambridge, N.H., to running the saw. He said of his retirement: "I'm going to do some of the things I've waited to do—more of." For example, "I'd like to do more fishing." Mr. Hutchins turned 65 Sunday.

On the bookshelf is *The Target is Destroyed*, by Seymour M. Hersh. On Sept. 1, 1983, a Korean Airlines civilian jet flying off-course over Russia's Sakhalin Island was shot from the skies by a Russian interceptor, killing all 269 passengers and crew. The shooting of Flight 007 was a tragedy that shocked and mystified the world. This book is a cautionary story of how the United States and the Soviet Union reacted to and perceived each other during a crisis in which neither side understood the truth about what had taken place.

Locke Mills

By LORRAINE MILLS

Reminder: The Greenwood Town Meeting will begin at 10 a.m. Saturday, March 14, at the Locke Mills Town Hall. There will be a dinner at noon put on by the Greenwood Fire Department Auxiliary. Forty-two articles are on the agenda and although most of them do not seem to spark much interest the amendment to the Shoreline Zoning and the moratorium on developments and housing (multi-family and cluster) is sure to bring some discussion as developers and slow growth advocates air their views. There is also an article to prohibit the construction of tire dumps for one year which should concern many. Since town meetings as such seem to be vanishing, it is hoped that citizens of Greenwood will take advantage of the privilege they have and attend this one.

The Ladies Circle will meet Wednesday March 18 at 1:30 p.m. at the Sunday School room of the Locke Mills Union Church after a two month winter recess. The Greenwood Fire Department held their regular meeting Tuesday, March 3, at the Fire Station.

The Greenwood Historical Society met Wednesday, March 3, at the home of Mr. and Mrs. Lee Mills with 17 members present and Willie Hathaway presiding. Joanne Kimball who is on the committee drafting the next newsletter reported on the progress made. It was voted to buy a recently published book written by Randy Bennett. The next meeting will be at the society building with Joanne Kimball furnishing the refreshments. Following the business meeting Mary Mills provided refreshments and a video film "Adventures South" was shown.

Ralph Mills returned to his home in Colchester, Vt., after spending the weekend with his parents, Mr. and Mrs. John Mills. While he was here, he and his father attended the Father-Son Banquet at the Praise Assembly of God, Mexico, on Saturday evening, sponsored by the Royal Rangers, a Division of the Men's Ministries. Women from the Women's Ministries prepared and served the roast beef supper.

Pvt. and Mrs. James Cobb are receiving congratulations on the birth of their first child, a daughter, on Friday, March 6, at Stephens Memorial Hospital. She weighed seven pounds, and has been named Elise Mary. Sharing grandparental honors are Mr. and Mrs. Raymond W. Seames and Mr. and Mrs. James P.

Thursday: March 19: New England boiled dinner, baked custard, roll.

Suppers at Andover

The First Congregational Church of Andover will be holding suppers the second Saturday of each month at the Christian Education Building. The menu for March 14 will be ham, mashed potatoes, string beans, molded salads, rolls, beverage and apple pies. The April 14 supper will be smothered beef, mashed potatoes, carrots, salads, homemade bread, beverage and layer cakes.

SENIOR CITIZEN MENUS

Monday, March 16: Pork choplet with gravy, potatoes, carrots, cottage pudding, bread.
Tuesday, March 17: Creamed chicken on puff pastry, peas, squash, St. Patrick's cake.

Newry

By AMY HANSCOM

Church services are being held at the residence of Mr. and Mrs. Owen Wight Sunday mornings at 9 a.m. with Rodney Hanscom, pastor. The Newry Community Church has been closed during the winter months. It will reopen when weather permits. Until that time services will be held at the Wight home.

Mr. and Mrs. Owen Wight, Susan Bowie, Jennifer and Christopher, went to Norway Saturday evening, Feb. 28, where they met Mr. and Mrs. Matthew Wight, and had dinner to celebrate Sue and Owen's wedding anniversary, which was on March 2.

On Monday evening Mr. and Mrs. Owen Wight were guests of Susan Bowie, Jennifer and Christopher, for supper. Mrs. Bowie made and decorated a beautiful anniversary cake.

The Newry Ladies who went bowling last Wednesday were Olive Anderson, June Swan, Nancy Wight, Thelma Lowery, Betsy Clark, and Bea Lowell. Thelma's mother, Ethel Higgins, was a guest, and also Rena Povers. Olive Anderson was scorer for the high single, and Thelma was the scorer for the triple. All went to lunch and did some shopping. Did you know that a little old lady of 80 years old gets a free pass at Sunday River Skiway?

Roger and I are very grateful for all the kindnesses showed us during our stay in the hospital and nursing home and since our return home. A Happy New Year to you all.

The Newry Church Ladies Circle met Tuesday evening, March 3, at Sylvia Gray's residence with six members attending.

The meeting was opened by President Gil Seelye. The devotion was read by Sylvia Harrington, secretary-treasurer, who also read the notes of the last meeting. Olive Anderson, the church secretary-treasurer, brought the finances up to date, and sent cards to the persons who are ill and a card to Bea Lowell in sympathy for her mother's passing.

The members made plans to make a quilt to be raffled off this summer—and some of the pieces are already in the making.

The high electric bill was discussed. The church was closed for the winter but

The West Bethel Children's Center was exercising at Telstar gym last week. Sophomore Dennis Casko helped Lydia Mills on the bar.

WEST BETHEL
Children's Center

Children here were treated to a trip last Thursday to the Telstar gymnasium for an exhibition by several high school students during a gymnastics class. Invited by Mr. and Mrs. Hannon of the physical education department, the center staff and youngsters watched performances on the balance beam, parallel bars (both even and uneven), the horse, rings, and tumbling mats. Following the demonstrations, Telstar students then helped the 3, 4, and 5-year-olds try their skills at each activity! This is a favorite field trip of the children, at a time when young muscles are developing and fear of the equipment is unknown. Thanks go to the Hannon's, the students, and volunteer Shelley Palmer for the help.

Some activities enjoyed by the children at the center have been tumbling, cart wheels, somersaults, and the trampoline; as well as the water table, easel painting, block building, dramatic play area, and table toys. Outside play has included sledging, swinging, using the jungle gym and snow scoops.

The curly-topped star-of-the-week has been Kasey Jane Mason of Bethel. She has spent some time each day sharing with the group: pictures, her favorite colors, television show, foods to eat, friends, song, book to read, names of her pets, and people in her family.

The next week's activities will focus on the five senses: taste, smell, feel, see, and hear.

Menu for the week
Monday: Breakfast-milk, apple juice, hard boiled eggs, toast; Lunch-milk, BLT sandwich, broccoli, canned peas; Snack-milk, fruit bread.

Tuesday: Breakfast-milk, orange juice, French toast, syrup; Lunch-milk, corn chowder, peanut butter sandwich, tomato and green pepper slices, fresh fruit; Snack-juice crackers.

Wednesday: Breakfast-milk, cold cereal, toast, grape juice; Lunch-milk, baked chicken, mashed potatoes, peas, roll; Snack-milk, English muffin with peanut butter.

Thursday: Breakfast-milk, pineapple juice, bagel, camembert cheese; Lunch-

By GLADYS KILGORE

Several from here attended the Ash Wednesday prayer service at the North Waterford Church, Wednesday evening. Mr. and Mrs. Frank Trimback called on Thaxter Littlefield one day last week. Mrs. Pat Buck, Mrs. Cindy Fox and Mrs. Joan Grover joining several others from North Waterford and Norway have gone to Disney World in Florida for 10 days.

Mrs. Pauline Lawrence has gone to Florida to visit her sister and husband, Mr. and Mrs. Ed Barker for a few days. Much sympathy is extended to the family of Merline Littlefield. She will be greatly missed by her many friends and neighbors.

Mrs. Ed Millett has finished her work in the filling station at North Waterford. She will continue her work at the library at North Lovell.

Mr. and Mrs. Gardner Smith of Bethel called on me Saturday afternoon. Mrs. Geneva Tripp took me to see my doctor in Harrison Tuesday.

THE LANGLAUF CITIZENS' RACE, sponsored by Sunday River Ski Touring Center, was run last Saturday. Racers had a choice of doing 30-kilometers, 15-kilometers or 5-kilometers. The 30K racers (above) started at Akers' Ski,

in Andover, and finished at the ski touring center, in Newry. Twenty-two racers, including two women, did the 30K course. Doug Zinchuk (#14), of Bethel, won it.

From the Bethel Area Chamber of Commerce

The chamber wishes to thank the selectmen and voters of Newry for their support at the town meeting last week. It sure is nice to know that people think we are doing a good job.

The executive committee met Monday and discussed the upcoming Greenwood and Woodstock town meetings. We plan to have representatives there at both meetings to answer questions if needed. We discussed upcoming projects, including another circus, Mollycoddett Day and our annual banquet. We're looking for speakers for the banquet and Robin plans to make some calls this week. Ronald McDonald is once again coming to Mollycoddett Day as the chamber's guest—good news for the kids.

The chamber will participate in the annual tourism day in Augusta, March 25. It's important to show Gov. McKernan, who has promised increased monies to promote tourism, that there is support from all areas of the state. Robin plans to travel to Bangor this Friday to a meeting with the executive board of the Maine Association of Chambers of Commerce. She is the regional representative.

We are in the process of finishing up our brochure. We'd like to thank all the members for their support of this project, which will be a great response piece and also very handy for businesspeople in our community, as it will have a listing with phone numbers of all chamber members, in categories.

We have received the supply of forestry brochures, which director Leon Favreau designed. This will go out with all inquiries. If anyone would like a supply of them, contact the chamber office. The "Exploring Maine" co-op ad has been completed. We'll do a one-page ad again this year. It is the Maine Publicity

ROTARY CLUB NOTES

The Bethel Rotary Club held its regular breakfast meeting at Martha's Restaurant on March 10.

Guest joining with the group was Jim Yarnell of Upton.

Another good raffle was held by Bruce Powell with the winner being Dave Preble. Last week's winner was John Todd.

President Dave announced that a donkey basketball game will be played at Telstar Regional High School on Monday, March 23. The team captain will be Roger Conant. The Telstar faculty will be the opponent. Dave asked that members attend the next meeting of the Spanish Youth Exchange to be held at Telstar on March 11. Participation is needed.

The program chairman was Dan Hart. His guest speaker was Steve Keane. Steve is a specialist in outdoor activities ranging from canoeing to orienteering. He is also a basketball coach at Telstar.

Steve talked about the white water canoeing program and the benefits associated therein. Personal development was stressed. Steve was recently selected at Telstar teacher of the year.

Bureau's primary fall response piece.

Welcome to the following new members: Pine Grove Cottages, Martha's Restaurant, Sean & Shannon's Variety, Joe Ferraro, Bernard Mohr, president of Synapse, Inc., Bear River Cabins, Northern Products Log Homes, Early Real Estate, Field View Bed & Breakfast. Sure is nice to be growing.

MILDRED E. WESCOTT

Mildred E. Wescott died Monday morning, March 9, 1987, at the Ledgeview Memorial Home in West Paris, where she had been a patient since last August.

She was born Nov. 16, 1901, at Magalloway Plantation, the daughter of Monroe and Nellie Littlehale Sweatt. She was educated in Magalloway schools. A former resident of Bethel, Mrs. Wescott lived at Bryant Pond for several years where she was self-employed as the owner of Wescott Puffett Co. She married Norman Wescott in 1945. Mr. Wescott died on July 1, 1978. Mrs. Wescott moved from Bryant Pond to Buck Hill Apartments in South Paris, and later to West Paris where she made her home with a granddaughter, Mrs. Diane Todd, for three and a half years before moving to Ledgeview Memorial Home. She was a member of the former Evergreen Temple #42 Pythian Sisters of Bryant Pond, and was past grand trustee of Grand Temple Pythian Sisters of Maine. She was a member of the Bryant Pond Universalist Church and an active member of the Ladies Circle.

She is survived by one daughter, Mrs. Bernice Swain of Champlain, N.Y., formerly of Bethel; one son, Otis Evans of Oxford; five grandchildren and 12 great-grandchildren.

Funeral services are being held at two o'clock this Wednesday afternoon at the Andrews Funeral Home, South Woodstock. Spring Interment will be at the Lakeside Cemetery, Bryant Pond.

Donations may be made in Mrs. Wescott's memory to Tri-Town Rescue, P.O. Box 328, Bryant Pond, Maine 04219, or Ledgeview Memorial Home, West Paris, Maine 04289, or to a charity of the donor's choice.
